NEW

## HAKKAPELIITTA® R5 SUV

CUV / SUV / LIGHT TRUCK

### PURE SAFETY AND CONTROL

The **new** Nokian Tyres Hakkapeliitta® R5 SUV is a Nordic studless winter tire that offers impeccable grip, maximum driving comfort and green driving. It is crafted to meet the winter driving needs of sport utility vehicles and crossovers. The Hakkapeliitta R5 SUV is optimized for stability, durability and wear resistance and manages high wheel loads precisely and reliably.

The non-studded winter tire offers best-in-class grip and handling thanks to **Double Block Grip** and **Arctic Grip Crystals**, microscopic crystals embedded throughout the tread compound that work like built-in studs, creating sharp, tough grip edges inside the rubber. As the tire wears down, the crystals emerge and activate a vital grip reserve.

The new **Green Trace compound** works across a wide temperature range and offers excellent wear resistance, safe grip and stable handling. The stiff, SUV-tailored mix helps keep heavy vehicles stable and tough on winter roads. The new **Silent Touch tread design** offers stable handling, smooth driving and pleasant sound levels.

**Aramid Strong Sidewalls** offer durable protection for demanding driving conditions. The same fibers found in bulletproof vests bring extra protection against impacts, cuts, and potholes, allowing for more carefree moments behind the wheel.

- Pure winter grip and balanced handling
- Increased stability and supreme driving comfort
- Aramid Strong Sidewalls for durability and protection

M+S | 16-22 inches |  Q - 99 m/h • 160 km/h  
R - 106 m/h • 170 km/h  
T - 118 m/h • 190 km/h
