FOR PASSENGER CARS

NORDMAN NORTH 9

Hit rural side roads and urban highways with zero stress. The Nordman North 9 Hard Winter™ tech provides proactive grip and easy driving every time the roads get bad. Control your direction during braking, accelerating, cornering and lane changes with the flexible yet firm compound, digitally optimized studs and progressive handling.

Size range: 17–20 inches

FOR SUVs

NORDMAN NORTH 9 SUV

The SUV-customized Nordman North 9 turns your car into a wintertime machine. You can rely on smooth, stable maneuvers and long service life thanks to our emphasis on strong technology. Drive "full-force" thanks to an "uber-strong" double body structure, a tenacious freeze-free rubber compound and digitally optimized studs that add grip that anchors you to slippery surfaces.

Size range: 19–22 inches
