TYRES**

# Nokian Mine King E-4

Reliable tyre for underground  
mining equipment

## NOKIAN MINE KING E-4

# Ready for a long, trouble-free service

Sharp rocks, dust, cuts and bruises. In the tough underground conditions, reliability is the key feature in a tyre. The rugged new **Nokian Mine King E-4** gives a lifetime of service for your heavy mining equipment – with no surprises.

### KEY FEATURES

Strong carcass with a maximum operating pressure of 10 bars

Deep grooves with a solid middle section enable good puncture resistance and a long service life.

Sharp shoulders and large contact area for better grip
