M+S

The tyre is
M+S labelled

The new construction and tread pattern ensure reliable operation on medium and long distance use

The heavily zigzag shaped grooves reduce stone trapping and improve driving stability

The new tread compound and even wear shape increase the tyre mileage

The tyre is suitable for all-year use on main roads

Meets the Euro 6 load carrying capacity requirements (8 metric tons per axle for sizes 315/70R22.5 and 315/80R22.5)
