NOKIAN HAKKAPELIITTA TRUCK T

EXTREME GRIP FOR TRAILERS

Sometimes, a regular tire just isn't enough. When the winter hits hard, the forest roads are narrow and the loads are heavy, you'll need a little extra. **Nokian Hakkapeliitta Truck T** gives your trailer extreme grip and control – with or without studs.

ALL-SEASON GRIP

New type of trapeze-shaped siping keeps its grip even when worn.

BEATS THE SNOW

Wide zigzag-shape grooves improve self-cleaning and grip on snow.

HIGH MILEAGE

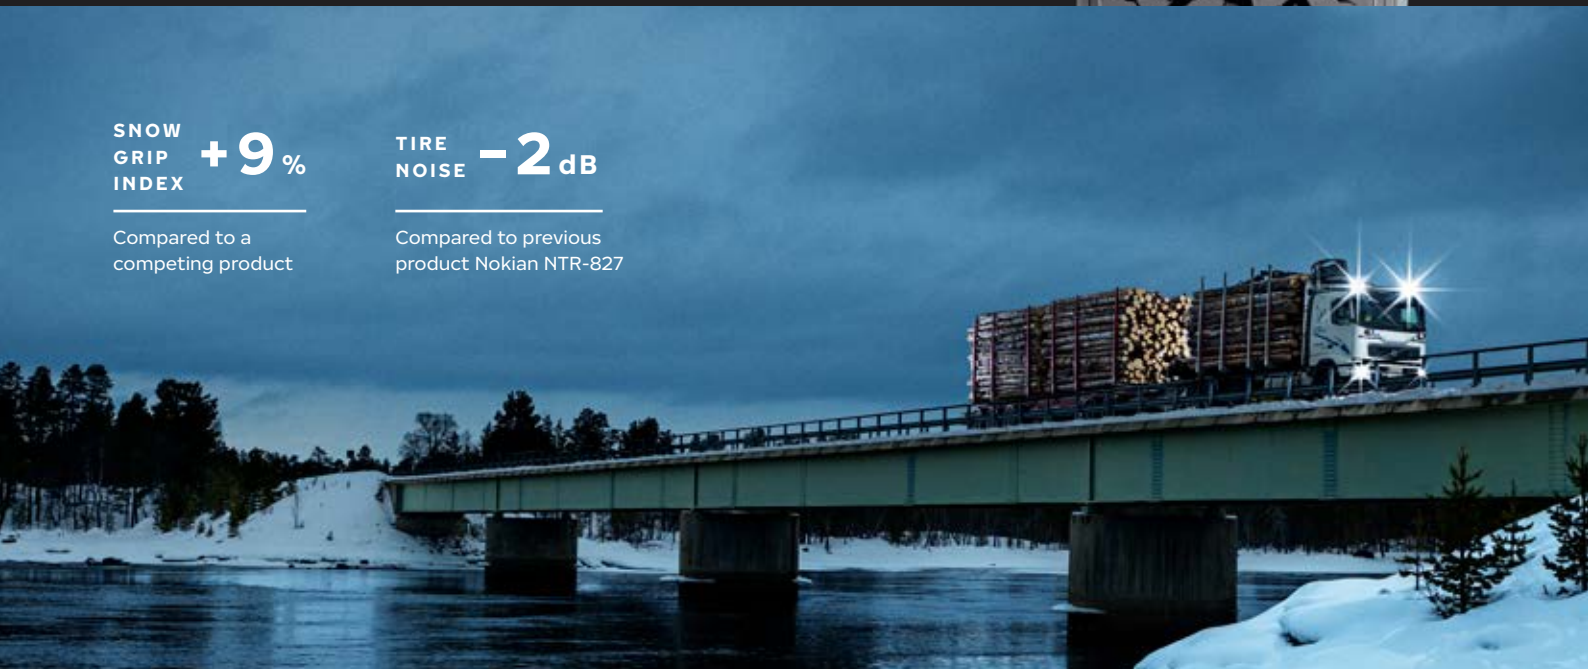

Strong shoulders withstand tight cornering. Staggered tread pattern wears evenly.

SNOW GRIP INDEX **+9%**

Compared to a competing product

TIRE NOISE **-2dB**
