

Nokian Noktop Nordic

Nokian Noktop 40

Width 220, 230, 240, 250, 260, 275, 290 mm

Length 3350 – 3450 mm

Pattern depth 16,0 – 17,0 mm

Application

All season traction tread

- Especially for long distance busses and cargo transport
- Suitable to fit during any season
- Also on low profile casings

Technical data

Order code	Width mm	Length Mm	Pattern Depth mm	Kg/m	Kg/pcs	Product code
40 220	220	3450	17,0	4,3	15,0	T672552
40 230	230	3350	17,0	4,6	15,4	T672553
40 240	240	3350	17,0	4,8	16,2	T672554
40 250	250	3350	17,0	5,1	17,0	T672555
40 260	260	3350	17,0	5,2	17,2	T672556
40 275	275	3350	16,0	5,2	17,4	T672557
40 290	290	3350	16,0	5,7	19,2	T672558

Compound

Special rubber compound for all-season use

Green

- HA-oil free
- Very low rolling resistance
- Excellent durability
- Low driving noise level
- Production process fulfils environmental standards of ISO 14 001

Properties

- Due to pattern design rate of irregular wear is low
- Rounded trailing edge of pattern block
- Asymmetric siping
- Open asymmetric transverse grooves
- DSI – Driving Safety Indicator

Alternative

Noktop 21
