FORGED TO EXTEND YOUR ADVENTURES

Sometimes, the roughest journeys bring the richest rewards. And sometimes, the journey is the reward.

Introducing the Outpost Family by Nokian Tyres – tires forged for drivers who want their journeys to be boundless.

For nearly nine decades, the inventor of the winter and all-weather tires has pioneered products that thrive in the extremes. The Outpost family builds on that legendary legacy with tires that let drivers extend their adventures – regardless of terrain, weather or obstacles.

Unbothered by barriers. Undaunted by difficulty. That's true of the Nokian Tyres Outpost AT and APT. It's also true of the drivers who choose them.

In fact, these tires come with a promise: The Outpost Pledge.

I WILL:

EXTEND THE **ADVENTURES** OF WHERE I CAN GO

EXTEND MY **TERRAIN** BY REMOVING LIMITS

EXTEND MY **TOUGHNESS** BY FINDING INNER STRENGTH

EXTEND MY **TRAVEL** BY FORGING NEW PATHS

The **Nokian Tyres Outpost** offers **Pothole Protection** on both the AT and APT tires. Thanks to cut-resistant Aramid Fibers embedded in the sidewalls, we have so much faith in this tire's durability that we're offering a Pothole Protection warranty: If your Nokian Tyres Outpost tire is damaged beyond repair by rough roads, potholes or curbs, we'll replace it free of charge.*

EXTEND YOUR ADVENTURES

Extend your adventures with the new **Nokian Tyres Outpost AT**, an all-terrain tire that provides versatility for all driving conditions. This all-weather tire reinforces the pledge that Nokian Tyres is with you – on and off the road, from rugged terrain to heavy-duty work. Forged with features to help drivers tackle the toughest surfaces, the Nokian Tyres Outpost AT is designed to make work productive and leisure limitless.

DURABILITY FOR ROUGH ROADS

PASSENGER, CUV, LIGHT TRUCK,
SUV AND VAN TIRES

The Aramid fiber used in our tires strengthens the sidewall of the tire to endure the impacts from rough road surfaces and sharp curb edges.

In addition to the **Aramid Strong Sidewall** technology, **Aramid Tough Shield** adds extra protection to the **Nokian Tyres Outpost AT**. The base compound beneath the tread is also reinforced with Aramid fibers, providing a puncture-resistant shield to protect the tire from road hazards. This innovation provides a significant improvement in durability compared to previous generations.
